PROJECT ASSISTANCE

Concentrate on your work, you can rely on us for everything else.

Chateau D'Ax is a manufacturer and supplier of hotel and home furniture that offers specialized services and support to architects and interior designers, in order to support their design skills and increase their potential by expressing their philosophy and design ideas.

Creative energy, versatility, manufacturing skills, organizational and logistical capabilities: Chateau D'Ax puts all of these strengths at the disposal of professionals in the residential and hotel design industry, at every stage of the project and throughout the world, for a highly professional experience.
